### Description:

Fee-for-service home health providers in the Miami-Dade area are required to start submitting all claims with date of service (DOS) of April 1, 2018, and later, through the EVV Claims Portal. Administrators, billing agents, or other designated individuals, can find the link to the claims portal on the left-hand menu of the EVV Dashboard.

Training guides and podcasts for using the EVV Claims Portal can be found at the AHCA EVV Training web page <http://ahcaevv.4tellus.com/index.php/documents>.

The new AHCA EVV System may allow the use of EVV third-party integration for approved integratable systems. Third-party integration means that fee-for-service home health providers who have an EVV system may continue to use it to capture and send EVV data to the EVV Claims system for billing. Providers who are interested in EVV third-party integration should contact the AHCA EVV Customer Support Line toll-free at 1-833-AHCA-EVV (1-833-2422-388) or via email: [ahcaevv@4tellus.com](mailto:ahcaevv@4tellus.com)
