The new AHCA EVV System may allow the use of EVV third-party integration for approved integratable systems. Third-party integration means that fee-for-service home health providers who have an EVV system may continue to use it to capture and send EVV data to the EVV Claims system for billing. Providers who are interested in EVV third-party integration should contact the AHCA EVV Customer Support Line toll-free at 1-833-AHCA-EVV (1-833-2422-388) or via email: [ahcaeuvv@4tellus.com](mailto:ahcaeuvv@4tellus.com)
